## Charitable Partner

Now entering its 12th year, Out in Schools is a highly sought after film education program, offering students the chance to develop and deepen their understanding of the experiences of LGBTQ2+ youth, the impacts of discrimination and exclusion, and what they can do to foster cultures of inclusion within their classrooms and schools. Out in Schools workshops have planted the seeds of belonging for our queer youth throughout the province in 39 school districts with over 60,000 students. Donate to Out in Schools by purchasing tickets online or on-site.
